Goodwill Fire Company No. 1 of Jacobus
1 South Main Street
Jacobus, Pennsylvania 17407

A MESSAGE FROM THE PRESIDENT

"You Spoke, We Listened.....It's Back!"

Welcome to the **R.O.A.R!** Basket Bingo. After an absence of three years and the numerous requests for another basket bingo – Tonight is the NIGHT!

If the baskets with their awesome contents, the door prizes, the chance to win the raffles or the 50/50 drawing are not enough for you, we have great food prepared by the folks of the Goodwill Fire Company No. 1 of Jacobus to tempt your taste buds.

R.O.A.R! has been changing over the past three years. We have new board members who have brought new energy to the board and helped to renew our commitment to the mission of educating women to recognize the signs and symptoms of ovarian cancer and acquire the knowledge to seek evaluation and treatment by qualified professionals. Plus, we are now easier to find with an official office, a dedicated phone number, a revamped website (www.ovarianhope.org), quarterly newsletters, and are part of the social networking world (www.facebook.com/ROARinYork). In 2010 we also made it a point to re-establish our connection with the Ovarian Cancer National Alliance in Washington, D.C. and we will be attending the 2011 Annual Conference, "Turning Promise Into Action" being held July 9-12. As part of the conference, board members, Marianne Mills and Mary Zeigler will be speaking with state representatives on Capitol Hill during "Advocacy Day" on July 12, 2011. Stay tuned to our website for updates.

We want to express our sincere thanks to the folks of the Jacobus Fire Company for their co-sponsorship of this event. We would also like to give a huge thank you to all the wonderful folks and organizations that sponsored and/or filled the baskets for this event. Without such generous donations we would not be able to bring you the goodies we have for you this evening.

Have a wonderful time!!!

Edna

****THERE ARE ONLY 3 WAYS TO WIN**
(EXCEPT FOR SPECIAL GAMES)
HORIZONTAL, VERTICAL, AND DIAGONAL**
